PRaises

A big thank you to all the parents and students that attended the back to school night. Parents have been so generous with picking apples off the tree and supplying classroom and office supplies. Every ECA classroom has been blessed by the church members that painted this summer. Another huge blessing: Doug Pool donated a truckload of rock for our playground and we had four hardworking parents that spread the rock. We had a successful start of school and praise the Lord for each family at ECA this year.
