Emmanuel Christian Academy

*“Serving God, changing lives,
and challenging minds through Christian education.”*

WELCOME

Dear Families,

Welcome to Emmanuel Christian Academy (ECA) for the 2018-2019 school year. We are so excited to have you join us this year! You have chosen a school where students have the privilege of learning and applying God's Word. History, science, creation, math, literature, language arts, relationships and stewardship are all seen through Scripture.

Our teachers know and love their students. They learn each student's character and capabilities, and work diligently to help your child achieve his or her potential.

Our standardized test scores exceed national standards; therefore, when the time comes for our students to enter the world as young Christian men and women, ECA students are characterized by being academically prepared and spiritually equipped to serve God on whatever path He leads them.

We would like to remind you that we have chosen the 45-10 calendar school year for ECA. We will enjoy a two-week break at the end of the first, second, and third quarters. Monday through Thursday the school day will begin at 7:45 a.m. and end at 3:00 p.m. for Jr. Kindergarten through 2nd grade and at 4:00 p.m. for 3rd through 8th grades.

We have a Back to School Night on Thursday, July 18th at 6:00 p.m. This is a great way to meet your child's teacher and find out everything you need to know for the first day of school.

When you chose Emmanuel Christian Academy you also chose a future for you child that, together with the home and the church, is built on a sure and solid foundation.

Developing Champions for Christ,

The ECA Staff

Statement of Faith

The Ministry of Emmanuel Christian Academy believe and teach the following:

We believe there is only one true and living God, revealed in three persons: Father, Son and Holy Spirit, and triune God created all, upholds all and governs all. (*Gen 1:1, Matt 28:19, John 10:25-30*)

We believe God the Father is infinite and personal, perfect in holiness, wisdom, power and love; He concerns Himself mercifully in the affairs of men; hears and answers the prayers of believers; and saves from sin and death all who come to Him through Jesus Christ. (*Gen 1:1, 1 John 1:9, Eph 1:5, John 14:6, John 5:48*)

We believe Jesus Christ is God. He was born of a virgin, lived a sinless human life, performed miracles, died on the cross to pay the price for our sins, rose from the dead the third day, then ascended to the right hand of the Father. We believe in and await His personal, visible return to power and glory. He is fully God and fully man, God the Son, the second person of the Trinity. (*John 10:37-38, Matt 1:23, Heb 4:15, John 2:11, Rom 6:23, 1 Cor 15:4, Mark 16:1-7 & 19, Acts 1:11, Rev 19:11, John 8:58*)

We believe the Holy Spirit indwells every believer at conversion as the third Person of the Trinity. It is by the Holy Spirit's indwelling that the Christian is enabled to live a godly life. (*Eph 1:13-14, Acts 5:1, Romans 8:13-14; 1 Cor. 3:16*)

We believe the scriptures, both the Old and New Testaments, to be the Word of God, inerrant in the original manuscript and the only infallible rule of faith and practice. We believe that all people are born with a sin nature in need of salvation which is a free gift, bestowed by God's grace alone and received by faith not by works. We assert that a believer's salvation is secured by Christ alone, and is available to anyone who chooses to accept His free gift. (*2 Tim. 3:16-17, John 3:3-7, Eph 2:8-10, Acts 4:12, Rom 10:9-10, John 10:27-28*)

Rev. 2-17

School History

Emmanuel Christian Academy began with just seven students, including three 4th grade boys and four 1st and 2nd grade girls. Hard work and determination brought a strong, solid, and enduring Christian school to the Kingman area. Two women, who believed God had called them to this ministry, poured their hearts, souls and families into the school, which officially started in August of 2000. They wanted to fulfill the biblical statute to, "...bring them up in the training and admonition of the Lord," (*Ephesians 6:4*), with the highest of academic standards.

Over the years, there have been man "bumps in the road," but God was always faithful to call and equip the people He had chosen to continue the legacy of Emmanuel Christian Academy. Through financial struggles, poor health, and obstacles, which only God could clear away, Emmanuel Christian Academy continues to stand today as a beacon of light shining the love of Jesus into the hearts and minds of Kingman's youth and their families.

There has always been and continues to be, by God's grace, a place at ECA to minister to any family who has a desire to teach their children God's truth, while giving them an excellent education. God and his Word are integrated into every subject in a way that shows his beauty, order, and structure for those who search for Him, while wholly preparing children in any grade at Emmanuel Christian Academy to transfer into any other school whenever necessary.

The school is founded on our faith in the Lord Jesus Christ, and we are dependent on His strength, wisdom, discernment, and guidance every moment of every day. We look to Him as our sole intercessor to God the Father (*John 14:16*) and give all the glory for past, present and future accomplishments to Him.

Emmanuel Christian Academy truly is our ministry and mission field.

Philosophy of Education

Emmanuel Christian Academy's philosophy of education relies on Biblical truth, values, and is based on the belief that Christian education is a parent/family responsibility (Prov 22:6, Eph 6:1). The home is the center of a child's training.

The Christian school acts as supplements to the ministry of the home, providing assistance to the parents and acting as loco parentis. Our goal is to develop the whole child – spiritually, mentally, socially, physically, and emotionally through active, meaningful involvement of students, parents and staff.

Parents who have fostered a respect for God's laws and a sense of individual responsibility will find these same values promoted by ECA staff.

Expected Student Outcomes

Emmanuel Christian Academy students are expected to be children who:

- Are people of integrity who profess faith in Jesus Christ, will be well-prepared to further their education in a successful way, and will be capable, productive, responsible members of society.
- Understand and commit to a personal relationship with Jesus Christ.
- Know, understand, and apply God's Word in daily life.
- Are empowered by the Holy Spirit, and pursue a life of faith, godliness, goodness, knowledge, self-control, perseverance, brotherly kindness, and love
- Are well prepared in all academic disciplines, and are skilled in reading, writing, speaking, listening, and thinking.
- Have the skills to ask questions, solve problems, and make wise decisions.
- Appropriately respect and relate with integrity to the people with who they work, play, and live.

School Organization

ECA is an independent, non-denominational Christian school not joined to any one particular church but supported by the surrounding Christian community. ECA is blessed to have been a member of the Association of Christian Schools International (ACSI) since its inception in 2000.

School Verse

Our school verse is *Philippians 3:12*, ***“Not that I have already attained, or am already perfected; but I press on, that I may lay hold of that for which Christ Jesus has also laid hold of me.”***

School Colors

ECA school colors are blue, white, and red.

Admission Policies & Procedures

Admissions Policy

- Emmanuel Christian Academy is open to students interested in securing an excellent Christian education, from Jr. Kindergarten through eighth grade. Students and their families agree to abide by ECA's Statement of Faith.
- It must always be understood that attendance at this school is a privilege and not a right.
- In-school or out-of-school suspension, during the prior academic year, on a prospective student's record may cause the student to not be allowed to enroll at ECA. If the student is accepted, they will be on probation for the school year. A student with an expulsion on his/her record will not be accepted at Emmanuel Christian Academy.
- All students must want to attend ECA and agree to honestly and wholeheartedly apply themselves to "study to show [themselves] approved unto God" (*2 Timothy 2:15*). They also agree to be courteous and respectful to their peers, staff, and faculty.
- Academic assessment tests will be required of any potential new student entering grades K-8 and for any returning students at the discretion of the Administrator.
- Enrollment fees in any amount, whether installments or full payment, paid at any time during the registration process are non-refundable. The registration process is not complete, and placement is not secure until ECA has received all required admission paperwork and the non-refundable registration fee is paid in full.
- Mid-year admissions are dependent upon the student's capability to fit into the classroom and keep up with the work already learned. These students must come in at grade level with a 2.0 GPA or better in the core subjects of math and language arts.

Admissions Process

1. Submit the necessary applications and paperwork, including needed medical records, immunizations (or declined immunization waiver), transcript requests, etc.
2. Academic assessment tests will be required of any potential new student entering K-8.
3. Every new 6th-8th grader must write an essay during the assessment process stating:
 - a. Why he or she wants to attend ECA and
 - b. What he or she plans to contribute to the common good of the student body
4. Family interview: The principal will inquire to verify that the family desiring to join our community agrees with the school's State of Faith, Philosophy of Education, and standards of discipline. Additionally, the principal will examine the student's attitude, demeanor, and educational ability. Following the family interview the principal will notify the family within a few days whether or not they have been accepted into the school.
5. When the family has been notified of their conditional acceptance, they will meet with the administrative assistant in the office to determine if there is any missing paperwork.
6. The finance department will meet with the family to ensure that registration fees are paid at the time of enrollment and a tuition agreement is in place
7. It is during this time that the finance department will verify that each prospective family is aware of available scholarship programs and that they receive the needed paperwork.

Current Homeschooled Students

All homeschooled student will have to provide grades for the past two academic years and will be subject to an academic assessment test. The results of the test will determine grade placement.

Admission Policies & Procedures

Probationary Period

ECA places all students, new and returning, on probation for the first quarter of attendance. If there is concern, the first probationary meeting will take place after the first four weeks. At this time the teacher, principal, and parents will create an academic plan for the student. If the goals within the plan are not met by the end of the first quarter, the student will be asked to depart. This gives the school administration the ability to remove a student if she/he is not ready for the rigors of Christian school either behaviorally or academically as obligated by the Parent Commitment Contract.

Learning Disabilities Guidelines

In order to clarify the educational goals of the school, ECA's guidelines apply to all students and teachers in all the classrooms. A student's disabilities must be documented through a current Individual Education Plan or 504 Plan. Please be advised, private schools are not required by law to adhere to special education policies and/or Individual Education Programs (IEPs).

Definitions

Intellectual Disability:

Any potential student who has a documented disability which would require a separate classroom, program, and staff in order to provide the educational services expressed in an IEP.

Specific Learning Disability:

Any potential student who has a learning disability which does not require a separate classroom, program, and/or staff in order to provide the educational services.

Speech Only IEP:

Potential students on a speech only IEP will need to have a current IEP to begin the school year.

Guidelines

1. Children with an intellectual disability may not be admitted to ECA due to the lack of adequate resources
2. All children will be required to meet the same academic and behavioral standards as all the other children at ECA, in accordance with the school's probation policy.
3. Children who have been diagnosed as having a specific learning disability will be given the same instruction and encouragement as their classmates. Minimal accommodations and/or modifications might be available based on the IEP.

Admission Policies & Procedures

School Anti-Harassment Policy

The policy of ECA is to provide an academic environment that is free from harassment, whether based on religion, sex, race, color, national or ethnic origin, age, or disability; an environment that is free from all forms of intimidation, exploitation, and harassment, including sexual harassment, where all individuals treat each other with dignity and respect. This policy applies to the actions of administration, teachers, staff, parents, volunteers, and students. Anyone who violates this policy will be subject to discipline, up to and including termination or expulsion.

Bullying Policy

Bullying refers to unreasonable actions of an individual or group directed towards a person, which are intended to intimidate, degrade, humiliate, or undermine, or which create a risk to the health or safety of the person. Bullying and intimidation are actions that are contrary to the teachings of Jesus Christ. This behavior is against the fundamental tenet of "Love your neighbor as yourself" and destroys respect of the student's dignity, undermines the Christian atmosphere of the school, and/or deprives the student of a safe and caring learning environment.

ECA does not tolerate harassment of students, nor does it tolerate reprisals against any student who makes a harassment complaint. Administration, teachers, staff, volunteers, and students who violate this policy are subject to disciplinary action, including expulsion from school or discharge from employment.

Non-Discrimination Statement

ECA does not discriminate on the basis of race, color, national and ethnic origin in admission policies, scholarship and loan programs, or athletic and other school-administered programs.

Scripture defines humankind as male and female (Gen. 1:27). Staff, faculty, students, and guests at Emmanuel Christian Academy shall use appropriate restrooms and locker rooms, participate in sports and other gender-specific events, and abide by dress codes according to their biological sex at birth.

The school reserves the right to select students on the basis of academic performance, religious commitment, lifestyle choices, and personal qualifications, including a willingness to cooperate with ECA administration and to abide by its policies

Students Standards of Conduct

He/she must act with respect and moral uprightness in school, at school activities, and when they are away from school, remembering they are always a representative of Christ and Emmanuel Christian Academy. Galatians 5:22 admonishes us all to live a life led by the Holy Spirit of God according to His Word, bearing the fruit of the Spirit which is love, joy, peace, patience, kindness, gentleness, goodness, faithfulness, and self-control. Electronics & Internet Safety

Electronics Use Policy

Technology has changed our world and impacted the educational process. Emmanuel Christian Academy recognizes the importance of educating our students using technology and we also know the importance of controlling technology in the learning environment to maximize the benefits and minimize the drawbacks.

ECA seeks a balance of technology in the learning environment to produce students that are properly equipped with the technological tools they need to learn and develop while still controlling the exposure to technology that is not conducive to the Christian environment at ECA

Knowing that this issue will continue to be studied and policies adjusted accordingly, ECA has concluded that the following policies are best for our students at this time.

Laptops, Tablets and Similar Devices

- These devices are generally not allowed to be used in class, unless it is provided by ECA. If a student has an electronic device with them in class it must be turned off and closed, face down, or in a cover and placed on the corner of the student's desk, in their backpack and/or cubby. Teachers will have discretion in this area.
- The device may be used in class with teacher permission to work on a class specific research project if the teacher elects not to use ECA Chromebooks.
- A device may be used in class with teacher permission for class presentations.

Cell Phones and Smart Phones

- All cell phones are required to be turned off during school hours, including breaks and lunch.
- Smart phones are not allowed in class as a substitute for a laptop, tablet or calculator.
- If a student must use his/her phone, the student must go to the office and ask permission. If permission is given, the student must use the phone while in the office with an ECA staff member.

Calculators

- Calculators are allowed in classes with teacher permission.
- Phones are not allowed to be used as calculators.

Other Electronic Devices

- Any device capable of connecting to the Internet and/or texting is not allowed in class. This includes all e-readers. These devices should be turned off and stored in the student's backpack or cubby.
- These devices cannot be used without permission during school hours including lunch and breaks, or during "before" and "after" care.

Electronics & Internet Safety

Internet Use Policy

- ECA has instituted a school-wide password protected wireless network.
- If a student needs wireless Internet access, he or she must ask the teacher to enter the password on the device.
- The staff or faculty member must make sure that the Wireless Network Connection will not be remembered on the device.
- The Internet connection should not go for more than 1 hour

Internet Restrictions

While using a wireless network connection student agree to abide by the following restrictions while on the campus of Emmanuel Christian Academy:

- Student will not use the internet at ECA for any social media.
- Student will not access email other than what is needed for class (defined by teacher).
- Student will not use the internet for non-educational purposes.
- Student will not access any inappropriate material (pornography, drugs, alcohol, etc.).
- Student will not play any sort of games unless they are part of a teacher sanctioned lesson.
- Student will not use instant messaging.
- Student will not watch movies.
- Student will not listen to music.

Students also agree that any use of the Internet will be only for the class they are in at the time, unless the teacher gives permission to work on an assignment from another class.

Social Media

As children of God and students of ECA, students must be a constant light for Christ within the halls of the school and within the community. This includes, but is not limited to, social media. Social media avenues include Facebook, Twitter, Snapchat, etc. which will be monitored closely for inappropriate content. If un-Christian material is found, the student will be subject to discipline with the school.

Violation of Policies

Disciplinary action will be taken for violation of these policies.

Discipline

“No discipline seems pleasant at the time, but painful. Later on, however, it produces a harvest of righteousness and peace to those who have been trained by it.” Hebrews 12:11

“For the commandment is a lamp, and the teaching is light; and the reproofs for discipline are the way of life.” Proverbs 6:23

The most important aspect of ECA is cooperation between parents and staff. We believe when students understand that their parents and school staff are working together, they will respect rules and act accordingly. Circumstances concerning infractions will be addressed on an individual basis.

ECA strives to have a positive discipline policy and stress positive reinforcement of good behavior by staff being models of the behavior we expect from each student. It is vital for the parents or guardians and students to realize that maintaining an orderly atmosphere in the school and classroom is critical to the learning process. (1 Cor 14:40)

Disciplinary Procedures

All discipline will be based on biblical principles; i.e., restitution, apology whether public or private, and restoration of fellowship between individuals with no lingering bad attitude. The following are the basic steps of discipline that are used in dealing with students. The administrator has the authority to use his/her discretion to show grace in any situation he/she believes it is warranted.

1. The vast majority of behavior issues will be handled at the classroom level using biblical standards of discipline. The teacher will remind the student of what is expected in class and how his/her behavior needs to change to be acceptable.
2. If the issue persists, whether in behavior or attitude, the teacher will contact the parent or guardian for a phone or in-person meeting.
3. If the behavior continues, the student will be sent to the administrator's office. At this time, the administrator will discuss the issue with the student and reiterate what changes must be made.
4. If further discipline is necessary, serious consequences may be swift and could result in detention, in-school suspension, out-of-school suspension, or expulsion from the school.
5. At any time, a meeting may be held between the staff and the administrator to discuss behavior issues. The Administrator, staff/faculty member may at any time request that the parents attend the meeting. In the interest of expediency, this meeting may be called immediately. Specific, necessary behavior changes on the student's part will be clearly outlined, and the consequences of failure to change will be explained. Such consequences may include, but are not limited to, work around the school, a behavior contract, and/or probation.
6. Serious offenses, such as the following, may result in an immediate trip to the administrator's office and a telephone call to the parents or guardians.
 - a. **Disrespect** shown to any staff member. Staff members will be the judge of whether or not disrespect has been shown (Rom 12:17)
 - b. **Dishonesty** in any situation at school such as lying, cheating, and stealing. (Eph 4:25,28)
 - c. **Rebellion** i.e., outright disobedience or defiance in response to instruction or correction (Titus 1:16)
 - d. **Assault/Bullying** (including Cyber Bullying) with intent to harm another person (Prov 20:3)
 - e. **Obscenity** including coarse jesting or taking the name of the Lord in vain. (Eph 4:29)

The administration and Governing Board of ECA realize that suspending or expelling a student from school is a very serious matter that will always be carefully handled.

**Discipline** *(continued)***Probation**

Any student with a serious issue who has been through the steps of discipline, whether relating to academics, performance or attitude may be put on probation at any time by the Administrator upon the recommendation of the teacher. Probation may last up to nine weeks, at which time the student's progress will be re-evaluated. The parents will be notified immediately about why and how long their student is put on probation. A continued need for probation may result in dismissal from ECA.

Suspension

Students may be suspended from school for a period of one to five days for serious behavior or discipline problems, as determine by the Administrator. A meeting with the student's parents/guardians and the Administrator will be required for the student to return to school which will be on a probationary basis only. A review of the student's behavior may occur at any time during the probationary period. A second infraction during probation will result in dismissal from ECA.

Expulsion

A student may be expelled from ECA for serious and/or continued violations of school rules and regulations, as outlined in the School Handbook. These infractions include, but are not limited to:

- Immoral behavior
- Possession or consumption of alcohol, drugs or tobacco (on or off campus)
- Possession of a firearm or any other weapon at school.

The student may be immediately suspended from school pending review of the situation by the administration and/or Governing Board.

Once the Biblical principles of resolution (*Matt 18:15-17*) have been followed, if the student is dismissed from ECA, the family may petition the school for readmittance if repentance and restoration have occurred. School personnel are ultimately interested in the good of the student and his/her repentance and restoration, the spirit of which we see in Scripture (*1 Cor 5:1-13, 2 Cor 2:1-11 and Gal 6:1-10*).

The application for readmittance may or may not be considered. If the administration chooses to consider the application, after prayer and personal interviews with the student and family, they will be advised whether or not the student will be taken back. If the student is readmitted, it will be on a strict probationary basis. Readmittance is not guaranteed.

Curriculum

The curriculum policy of Emmanuel Christian Academy is founded on a God-centered view of the truth regarding man as explained in the Bible. All subjects are taught from a biblical worldview that glorifies God and reveals His eternal principles.

The administration and faculty of Emmanuel Christian Academy are continually assessing the curriculum to keep current with available educational materials and textbooks. This year, the school has chosen Abeka Book, ACSI Publications, Saxon Math, and BJU Press. The school will use a secular text only if it is clearly the best available in a field of study and does not include a humanistic philosophy.

The goal of Emmanuel Christian Academy is to provide the very best educational materials and textbooks for students to enable them to have access to a Christian curriculum that is consistent with the inerrant Word of God.

FACTS Management

Emmanuel Christian Academy uses the software FACTS Management for grading and attendance. Parents/guardians are able to check their child's grades daily through this program. At the beginning of enrollment, the parents/guardians will receive a link via e-mail to monitor their child's grades.

Chapel and Special Programs

ECA's chapel program is an integral part of school life and is mandatory for teachers and students. Chapel is held on the last school day of every week, usually Thursday. Special speakers, such as pastors, missionaries, and other closely associated with similar ministry groups often serve as chapel presenters. The chapel programs focus on glorifying God and creating a reverential respect and love for Him and His Word.

The school welcomes anyone interested in teaching chapel. Every special speaker must be approved by the administration at least two weeks before the date of the presentation. Non-religious presentations can be arranged with the approval of the administration for times other than chapel.

School/Home Correspondence (MAIL)

The Yearly School Calendar is given to families at registration; a Monthly Calendar and News Letter is sent home with students from the administrative staff and serve as the primary tool for keeping parents up to date on school happenings. All three documents are also located on the school website "Home" tab.

Policy clarifications and changes, upcoming events, and last-minute information may be announced through this newsletter and other occasional notes and letters will be sent home as necessary.

Please ask your child for your "mail" daily. Text messaging and emails are used frequently at ECA, so please make sure your current email addresses and phone numbers are on file at the school.

Academics *(continued)*

Pledges

We perform three pledges during our assembly and chapel times. We pledge to the Bible, the Christian flag, and the American Flag.

Pledge to the Bible

I pledge allegiance to the Bible, God's Holy Word.
I will make it a lamp unto my feet and a light unto my path.
I will hide its words in my heart that I might not sin against God.

Pledge to the Christian Flag

I pledge allegiance to the Christian flag,
And to the Savior for whose Kingdom it stands.
One Savior, crucified, risen, and coming again,
With life and liberty for all who believe.

Pledge to the American Flag

I pledge allegiance to the flag,
Of the United States of America,
And to the Republic for which it stands,
One nation, under God, indivisible
With liberty and justice for all.

Homework Policy

Homework is an excellent way for students to practice and reinforce lessons taught in class. In addition to developing responsibility and positive work habits, homework provides parents with an opportunity to participate in their child's learning. Homework is useful for completing special projects or to complete unfinished class work. It is the student's responsibility to gather all necessary materials to complete assignments in a timely manner. ***Students are also responsible to make up any missed homework that the teacher requires.*** Families have the responsibility to provide an environment conducive for their child to complete homework assignments. The parents' primary role in the homework process is to provide guidance and assistance, help students understand assignments, make suggestions as needed, and ensure the timely completion of assignments. Though we understand that the time taken for each student to complete homework assignments will vary, suggested homework times are as follows:

Kindergarten: 10-15 Minutes
Grades 1-3: 20-30 Minutes
Grades 4-5: 60 Minutes
Grades 6-8: 90 Minutes

If a student appears to be spending too much time completing homework, parents should contact the teacher to determine if there might be a misunderstanding or a concern

Report Cards

Report cards will be sent home four times each year. ECA recommends you discuss the progress on the card with your child. Reports cards should be signed by the parents/guardians and sent back to the teacher within a week receipt.

Deficiencies

Deficiency reports are sent home privately anytime during the quarter that a student's work is unsatisfactory. ECA teachers strive to keep parents well informed when their children are struggling with grades or behavior.

Parent-Teacher Conferences

Parent conference days are offered during the first and third nine-weeks. An opportunity to schedule a formal conference with your student's teacher will be sent home so you can choose an appointment time. The schedules will be made on a first returned – first scheduled basis. Parents are encouraged to make an appointment to see the teacher any time they have questions about their child's progress.

Standardized Testing

Testing is done in all grades every spring. ECA has used Terra Nova standardized tests, however, beginning in the 2018-2019 School Year ECA will be using Iowa Assessments. Parents will be advised if there is a change.

Grading Scale

Percent	Letter Grade
90 - 100	A (4.0)
80 - 89	B (3.0)
70 - 79	C (2.0)
60 - 69	D (1.0)
Below 60	F (0.0)

Students must achieve a C (2.0) or better to pass core subjects and be promoted to the next grade. Reading, Language Arts, Math, and Bible are the core subjects at ECA.

If a student's teacher recommends a course of action to the parents to help improve the student's progress and the student's parents choose not to follow that recommendation, or if a student is working below grade level, there is the possibility that he/she will be held back at the current grade level. If there is any question as to whether or not your student will be promoted to the next grade, please schedule a parent/teacher conference with the teacher to discuss the child's progress as early as possible.

Character & Performance Recognition

Christian Character Award

Each teacher has the opportunity to choose up to two students from his/her class each quarter to receive this honor.

The teachers consider the following criteria, as well as the direction set out in *Romans 12:9-21* in the selection process:

1. Student displays a Christ-like attitude.
2. Student displays admirable growth in Christian character.
3. Student seeks to mature in Christ.
4. Student sets a good example for other students.
5. Student works to potential.

There is the possibility that there will not be a student within a class to receive this award.

Fruit of the Spirit Award

This honor is chosen solely by the principal. It is given to only one student a quarter from the entire student body who shows the Fruit of the Spirit: "Love, joy, peace, patience, kindness, goodness, faithfulness, gentleness, and self-control" *Galatians 5:22*.

The student winning the award will receive a certificate of recognition and a lunch of the student's choosing with the Principal.

Honor Roll and Principal's List

These recognitions are based solely on grades at the end of the quarter.

- Student's receiving straight A's will be named to the Principal's List.
- Student's with A's and B's at grade level will be placed on the Honor Roll.
- Students receiving a passing grade of C or below will not be eligible for these awards.

Award Assemblies

- Award Assemblies for the first three quarters are held during a school assembly on the last Thursday of the quarter.
- The final awards and 8th grade graduation ceremonies are held on the last week of the school year.

Please see the School Calendar for specifics.

Classroom Policies

Classroom Discipline/Incentives

Each teacher has a specific discipline and incentive plan in place and parents/guardians will receive a copy of these plans at the Back to School Night.

Lunch/Snacks

- Students must bring a healthy lunch, snack, and drink (no soda) in a marked lunch box or sack.
- Students may not share food with other students due to the many food allergies within the student body.
- Student microwave use is only available to the junior high students, grades 6-8.
- Refrigerators are not available for student lunches.
- Special hot lunch days will occur up to twice each month on Thursdays. On these days the students will still need to bring a snack. The order form and money deadline are on the Wednesday morning before hot lunch day. Parent volunteers are essential for “hot lunch day” to continue. Please let the school know if you can help.

Textbook Care

At the end of the school year, each student will be responsible for the condition of his or her text books. The family will be charged for damaged or lost books according to the replacement value of the book.

Attendance – Operating Hours

School business may be transacted from **7:45 a.m. to 4:00 p.m.** Monday through Thursday. Summer office hours are from **10:00 a.m. to 1:00 p.m.** Tuesday through Thursday, but subject to change. Appointments with school personnel, including the administrators, should be made in advance through the office. Please avoid attempting to speak with teachers or students during class. All visitors must check in at the office and will be escorted, if necessary, to the proper location.

Daily Dismissal

- Jr. Kindergarten – 2nd Grade: Dismissed at 3:00 p.m.
- 3rd – 8th Grade: Dismissed at 4:00 p.m.

Children going to Aftercare will be dismissed by their teacher at the proper time. All people picking up a student must be approved prior to the pickup by a parent/guardian. Any child not picked up by his/her dismissal time will be sent to Aftercare, or if there is no Aftercare agreement on file, to the office. Regular Aftercare charges will still apply.

If a parent needs to speak with a teacher, he/she needs to schedule a meeting with the teacher. If a teacher needs to talk to a parent/guardian, they will be asked to park and see the teacher after students have been picked up.

Student Early Release

Students leaving the building must be accompanied by a parent or guardian. If someone other than the parent/guardian picks up the child, he/she must have a note from the parent/guardian. In an emergency only, the parent may give permission over the phone

Classroom Policies *(continued)*

Student Tardiness

Students who arrive late to school create a serious disruption to teaching and learning upon entering the classroom. Students who arrive later than 7:45 a.m. will be marked tardy. The consequences for being tardy each quarter are:

1. Four: He/she will receive a note home reminding parents of ECA school times and the tardy policy.
2. Five: He/she will receive lunch detention.
3. Six: A meeting will be scheduled with the principal, teacher, and parents/guardians and receive a lunch detention and sentences will be assigned.
4. Seven or more: Lunch detentions and sentences will be assigned. Parents will be notified.

Student Absence

Absences from class, whether excused or not, require work to be made up. The teachers will allow two makeup days per day missed for excused absences and one makeup day per day missed for unexcused absences. Any work not made up on time loses credit for every day it is late according to the teacher's standing classroom policy.

Excessive unexcused absences (seven or more in one quarter) will be reviewed by the principal. The consequences may include retention in his/her current grade or dismissal from the school.

Prearranged Absences

Assignments for prearranged absences may be given prior to the absence only if the teacher has time to prepare. Work assigned in advance of an absence is due immediately upon return.

The classroom teacher decides what makeup work can be done at home and what must be made up at school. The student may use recess time and/or time after school to complete the work missed. If a teacher's aide is available to help with test or quiz makeup, this will be arranged. Parents will be notified, for planning purposes, if time is needed before or after school hours to make up tests or quizzes.

Truant students receive a "0" for all work missed.

NOTE: A student who misses 15 or more days in a semester or 30 days in a school year maybe subjects to dismissal from school or retention at grade level.

Student Transfer

If it should become necessary for a student to transfer to another school, a request from that school must be sent with the parent's/guardian's signatures in order for ECA to forward records about your child. This is due to confidentiality requirements and safety concerns.

Payment of any outstanding balance due to ECA may be required prior to records release.

Tuition Policy

Tuition is an annual cost that we encourage families to pay in a lump sum. Tuition paid in a lump sum by July 1st will receive a 3% discount. For the convenience of our families, we will also collect tuition in eleven monthly installments. Payments are due on or before the first of each month beginning July 1st and ending May 1st. If payment has not been received by the 15th of the month, a late fee of \$20 will be charged per student account for each month the account remains in arrears.

Past Due Accounts

If the account becomes more than 30 days past due, the account will be reviewed by the school leadership, and termination of enrollment may be considered. If at any time during the school year an alternate payment arrangement needs to be made, a meeting with the Finance Department is necessary to discuss these arrangements and provide supporting documentation of financial hardship. A copy of any payment arrangement made, signed by the family and Finance Department, must be on file in the school office. A breach of any payment arrangement may, at the discretion of the Finance Department, result in the entire balance becoming immediately due and payable. A collection agency may be contacted if payments are not made or amended payment arrangements are not met.

Payments Online

FACTS Management is used by the school to collect tuition payments and other incidental fees during the school year. A tuition payment plan will be elected upon your enrollment in the FACTS system. Incidental fees will be billed as incurred through the FACTS system. The FACTS system is based on automatic payments, as authorized by you, from your bank account or credit card. You will have the ability to make additional payments through your FACTS account at your discretion.

Returned Checks

A returned check fee of \$30 will be charged for checks returned to ECA with insufficient funds and a \$30 missed payment fee will be assessed by FACTS for each missed electronic fund transfer attempt. Recurring deficiencies may result in payment of the remaining annual tuition balance in full of cash, money order, or credit card. If you have an issue with paying your student's tuition, please talk with the Finance Department to make other arrangements.

Tuition Assistance Funds

If you qualify to receive tuition assistance through a School Tuition Organization (STYO) you will need to apply for tuition assistance as recommended by the school. You, therefore, authorize ECA to apply all scholarship funds received during the year to your account for the benefit of your student(s). Your application or registration with any STO does not guarantee that your family will receive tuition assistance from a said organization. Your entire tuition is your financial responsibility, whether or not scholarship funds are received. Monthly tuition will still be due each month; however, it will be adjusted according to STO funds received. If applicable, an adjusted monthly tuition amount will be available from FACTS or the ECA Finance Department.

Unpaid Balance

If the yearly tuition balance for the previous school year is unpaid, the child(ren) will not be allowed to re-enroll for the upcoming school year. The student's account may also be forwarded to a professional collection agency at this time to aid in obtaining the funds.

Morningcare/Aftercare Policy

NOTE: *Emmanuel Christian Academy Student Only are allowed to participate in this program.*

A late fee of \$5.00 per week may be charged if not paid within two weeks of service and Morningcare/Aftercare will no longer be an option until the account is current.
- Program costs and school rules are posted in the Morningcare/Aftercare room for your convenience.

Parent Involvement

“Fathers, do not provoke your children to anger, but bring them up in the discipline and instruction of the Lord.” *Ephesians 6.4*

As a support and extension of the family unit, ECA considers the family to be of first importance to a child. God, through His Word, the Bible, indicates that the family is the most important human institution He designed, since He compares it to the relationship believers have with Christ and the Father. Therefore, at ECA, we are continually seeking ways to actively involve the parents, siblings, and grandparents of our students in the programs of the school.

Below are just a few of the more common ways ECA does this. Please feel free to ask if you would like to try additional ideas.

- Pray continually for ECA school, students, staff and families.
- Visit the school/class at any time. During academic/instruction times, please limit visits to adults only as siblings can be a distraction. Simply call ahead out of courtesy for the teacher.
- Assist in the classroom, regularly or infrequently; advanced arrangements should be made with the teacher.
- Act as chaperone on field trips and/or library visits.
- Coach a team in sports.
- Help out during drama productions.
- Volunteer to help at school events with the Parent Teacher Fellowship.
- Serve as a story reader, song leader (Jr. K-6), guest artist, or offer your special talents.
- Present your vocation to the class or invite them to your place of business, with permission and arrangements with the teacher.
- Work to help with a fundraiser.
- Share your experiences, trips, or vacations, as they may relate to an area of study in a class.
- Help host class parties in the classroom.
- Closely monitor and praise your child's progress by reading all teacher notes and student papers sent home.

Parent Involvement Commitment

Each family is expected to volunteer ½ hour per week per family. This can be completed as actual time given to the school or by donating to the school. This time commitment amounts to 18 hours per school year. These hours can also be completed by giving a monetary donation for families who are unable to give of their time. Each ½ hour of donated time is equivalent to \$5. Please look for the teacher's list of items or services they need for their classrooms.

Background Screening/DMV Check

A background screening and/or DMV check report will be necessary if your volunteer activities require supervision of students, without a staff member present or when you are driving students. Please inquire at the ECA Office regarding associated fees and procedures in advance of any scheduled/anticipated volunteer activities.

Fundraising

The school will hold fall, winter, and spring fundraisers during the school year. ECA uses these fundraiser monies to purchase classroom materials and equipment that benefit all students.

**Miscellaneous** *(continued)***Student Health Issues**

Every effort is made to provide a wholesome, healthy atmosphere for the students of ECA. You can help at home by ensuring that your child gets adequate rest, eats nutritious foods, and is not allowed to attend school if he or she is ill. Please be wise in this decision. After an illness, such as the flu, a fever of 99.9 or above, severe cough, or any other contagious symptoms, please keep your child at home until he/she has been better, without a fever, for at least 24 hours.

The teacher must be made aware of any medical condition and any medication the child must take, whether over the counter or prescription. Medication must be labeled and brought to the Office in its original container. No student may carry medication with them without express permission from the administration.

Lunchroom

Orderly behavior is necessary during lunchtime.

- Disruptive, loud, or discourteous behavior will be met with an appropriate disciplinary consequence.
- As children are excused from the lunch tables, they must clean up their eating areas.
- Tables should be cleaned up for the next group after everyone is finished eating.
- Children are expected to consume their lunch in a reasonable time, so as not to delay the cleanup of tables for the next group.
- All food and drink must be consumed before leaving the lunch table.
- Food is not allowed on the playground.
- Students are not allowed to use the microwave, unless a parent volunteer supervises. The only exception is middle-school students (6-8th grades) and with Teacher supervision.
- School or church refrigerators are not available for student use.
- Parents or guardians should check in with the office if they are joining their child for lunch.

Disaster/Fire Drills

ECA will have a monthly fire drill. Directions are posted by each classroom door. If you happen to be in the building when one of these occurs, please exit at the nearest outside exit. ECA will also have a quarterly lock down drill. Please stay in the office or classroom if you are visiting the school during the lockdown drill.

Severe Weather Instructions

In the event of severe weather conditions such as a snow storm, flash flood, etc., the following procedures will be in place:

- Call the school office at your earliest indication that the school day might be impacted.
- If the school day will be different from usual a voicemail message will be accessible to notify families of any schedule changes.

Miscellaneous *(continued)*

Parent-Teacher Fellowship

All parents are encouraged to join and support the Parent-Teacher Fellowship (PTF). The PTF coordinates volunteer services for the school and sponsors fundraisers and programs during the school year. The PTF makes valuable contributions to the school. All projects or activities conducted or supervised in part or whole by the PTF on behalf of ECA must be approved in advance by the school administration.

Field Trips

We schedule field trips during the year to enrich the education experience of our students, but we will depend largely on parent involvement for these trips to occur. Please take this opportunity to volunteer as your child's class chaperone.

ECA requires parent/guardian permission for field trips.

If you are willing to be a driver, a background check/DMV report will be necessary in advance.

Off Campus Activities

Whenever students are traveling away from school, they are expected to behave in the same manner as required on school grounds, with appropriate respect and courtesy. As in the classroom, the staff members and adults will judge what is or is not acceptable behavior. Appropriate school field trip uniform, including Field Trip t-shirt, is required unless waived by the principal.

Parental support and involvement with the planning, driving, and chaperoning of all field trips is greatly encouraged and appreciated. Any parent who wishes to drive on a field trip will need to submit a copy of their driver's license and insurance to the office prior to being approved to help drive on a field trip. Each driver will need a background and DMV check in advance, this does take time, so please plan accordingly.

Sports

ECA may offer Cross Country, Volleyball, Boys and Girls Basketball, Archery and/or Track and Field to students in grades 5-8. There are grade and behavior requirements to participate in sports. Each athlete must have a sports physical completed to be eligible to participate in a practice or competition. These physicals are valid for one calendar year from the certificate date. The athletic program has a mission to provide an opportunity for students to increase physical fitness and display Christian character.

Clubs

ECA offers students in grades 4-8 opportunities to participate in clubs such as Student Council, Chess and Yearbook. There are grade and behavior requirements to participate in these clubs.

Grievance Guidelines

The objective of these guidelines is to establish biblical guidelines for the resolution of disputes and grievances in the operation of Emmanuel Christian Academy (ECA). These guidelines are to be followed whenever there is a dispute or grievance concerning any aspect of ECA's operations between any two parties connected in a direct way to the school. This includes students, parents, staff, volunteers, administration, and board.

Definitions

- **Dispute:** Any disagreement that results in broken fellowship or trust between parties, or that disrupts the line of authority in the school or the orderly operation of the school, or that (in the judgment of either party) threatens the successful implementation of ECA's objectives or goals.
- **Grievance:** Any major disagreement over a decision made by one in authority, when the disagreement is great enough to appeal the decision beyond that authority to the next level.
- **Concern:** The substance and details of a dispute and/or grievance.

General Grievance Guidelines

- It is understood that if any disputes or grievances arise that are not directly covered by this policy, the administration and/or Governing Board will establish procedures based on the reasoning and pattern of this policy.
- It is understood that the principals of Matthew 18 and James 3 will be followed, especially during the attempted resolution of concerns and restoration of relationships.

Student/Parents to Teacher

- All concerns about the classroom must be presented first to the teacher by the student, if mature, or by the parent. If the student presents the concern, a respectful demeanor is required at all times.
- If the matter is not resolved, the student or parent may bring the concern to the administration. The student must have parental permission to do so.
- If the matter is still not resolved, the parent may write a letter to the Board outlining the issue and expectation for resolution.

Parents/Community Members to Administration

- Disputes or grievances about the general operation of the school (apart from operation of the classroom) from a parent or community member must be presented first to the administration.
- If the matter is still not resolved, the parent or community member may write a letter to the Board, outlining the issue and expectation for resolution.

Emmanuel Christian Academy is open to anyone interested in obtaining a Christian education, from Jr. Kindergarten through 8th grade. ECA does not discriminate on the basis of race, color, national and ethnic origin in admission policies, scholarship and loan programs, or athletic and other school-administered programs. The school reserves the right to select students on the basis of academic performance, religious commitment, lifestyle choices, and personal qualifications, including a willingness to cooperate with EC administration and to abide by its policies.

Student Handbook Agreement

Questions pertaining to any policy or issue discussed in the ECA Student Handbook should be addressed to the Administration Office. Please be aware that this handbook is not meant to be all-inclusive. Every effort will be made to clearly communicate changes or additions with parents and students alike. Emmanuel Christian Academy reserves the right to revise this document at any time.

***I/We, the parent(s)/guardian(s) of _____
have read and understand the Emmanuel Christian Academy Student Handbook. Our family
will adhere to the rules and procedures of the school.***
