

## Tuition and Fee Schedule

The goal of ECA is to make Christ-centered education affordable for all families. We will work with you to develop a tuition payment plan that is tailored to your family's needs.

Tuition assistance through School Tuition Organizations (STOs) is available for families to help reduce the cost of tuition. The School recommends completion of a minimum of three STO applications if tuition is not paid in full at time of enrollment. Even if an application for an STO has been submitted, parents/guardians are responsible for the monthly/quarterly/annual tuition amount until the funds have been released by the STO and applied to a student's tuition balance.

The ECA Finance Office works with parents to apply for tuition assistance by providing information, knowledge and tips to help speed the process and make it easier to understand. Stop by the ECA Finance Office to pick up a Tuition Assistance Information Packet and speak to a financial representative.
