September 2020

Welcome!

2020-2021 School Year!

We have had an exciting start to our school year and feel very blessed we are now in our third month of school. The Lord has blessed us with a hard-working teaching staff that is very willing to work during this difficult time. We want to say a big thank you to all our parents that have supported all the changes that were needed to go forth this school year. We believe the Lord will continue to bless ECA and our students. Please continue to pray for the school during these uncertain times.

Praises

Thankyou to everyone that has given so generously by purchasing supplies for the classrooms. The parents and families have been so patient, and cooperative with this very difficult first nine weeks. We have such a caring and loving family here at ECA.
