

Grow ECA

Emmanuel Christian Academy (ECA) is a non-denominational private Christian school located in Kingman, Arizona. Established in 2000 with only 7 students we have grown to 258 students by stepping out in faith and being dedicated to the school mission:

“Serving God, changing lives, and challenging minds through Christian education.”

Vision Statement

The vision of ECA is to provide a superior academic and mission minded education while teaching the foundation of a Godly life to residents of Kingman and outlying areas. Our students will have superior and godly instruction in a secure environment under the supervision of godly men and women, now and in the future.

“For I know the plans I have for you and not to harm you, plans to give you hope and a future.” Jeremiah 29.11

School History

ECA began with just seven students. Hard work and determination brought a strong, solid, and enduring Christian school to the Kingman area. Two women, who believed God had called them to this ministry, poured their hearts, souls, and families into the school, which officially started in August of 2000. They wanted to fulfill the biblical statute to, “...bring them up in the training and admonition of the Lord,” (*Ephesians 6:4*), with the highest of academic standards.

Over the years, there have been many challenges, but God was always faithful to call and equip the people He had chosen to continue the legacy of ECA. Through struggles and obstacles, ECA continues to stand today as a beacon of light shining the love of Jesus into the hearts and minds of Kingman’s youth and their families.

Through the grace of God, ECA continues to minister to any family who has a desire to teach their children God’s truth, while giving them an excellent education. God and his Word are integrated into every subject in a way exemplifying a Biblical world view, all the while preparing children spiritually and academically to transfer into other schools as needed.

The school is founded on our faith in the Lord Jesus Christ, and we are dependent on His strength, wisdom, discernment, and guidance every moment of every day. We give God the Father, Son, and Holy Spirit all the glory for past, present, and future accomplishments. ECA truly is our ministry and mission field.

Grow ECA

Purposefully reaching to touch the lives of so many families has blessed everyone who works at ECA. We are encouraged by our growth and feel the Lord’s hand in everything we do. He has pressed upon us through continued growth that it’s time to expand our footprint in Kingman.

Currently, we are leasing space from a local church who graciously allowed us to move a modular unit on their property to help accommodate the unbelievable growth we have had in the past few years. The modular opened this school year July of 2022 and by September of this year we have outgrown this additional space.

In a very tumultuous time in our country parents are looking for alternative learning environments for their children. ECA is a school that focuses on a structured, safe, and nurturing environment; where every child is a priority so class sizes are optimal; dedicated and loving Christian teachers focus on Christian values and all the while providing a challenging and comprehensive curriculum.

ECA has quickly reached the conclusion that if we are to meet the demand that is already upon us, we need to build a school dedicated to our vision and mission for the Lord. Through prayer and introspection, we realize that we need a community of like-minded people to join us in our vision to make it a reality for the youth in Kingman and the surrounding area. There are three ways you can help us accomplish our prayerful vision:

1. Give a Financial Gift

- One-time cash/check/credit card donation
- Multi-year pledge
- In-kind gifts
- Appreciated assets
- Real estate
- Securities

2. Give of Your Time

“Above all, keep loving one another earnestly, since love covers a multitude of sins. Show hospitality to one another without grumbling. As each has received a gift, use it to serve one another as good stewards of God’s varied grace.” 1 Peter 4:8-10

Volunteers are a cherished resource that is in short supply. Special events and projects, large and small, can always use an extra hand that is always welcome and appreciated. Would you consider helping through volunteering this year? Contact ECA at 928-681-4220.

3. Give of Your Prayers

ECA was built on answered prayers and continues to grow because of dedicated prayer warriors.

“Rejoice always, pray without ceasing, give thanks in all circumstances. for this is the will of God in Christ Jesus for you” 1 Thessalonians 5:16-18

Following is a list of areas on-going prayer needs to ensure that we stay on the path the Lord has set out for us.

- Build a school to accommodate the growing demand of families in our area.
- Attract and hire additional dedicated, loving Christian teachers and staff.
- Continue to have access to challenging curriculum that educates and doesn’t indoctrinate.
- Have access to continuous improvement training for our teachers and administration.
- Help our Board and Administration maintain focus on wise and thoughtful leadership.
- Fill the hearts of our teachers and staff with overflowing love for educating our youth.
- Keep our eyes on Jesus to accomplish His Goals.
- Maintain a safe and secure learning environment.
- Develop and maintain quality parent partnerships.
